Thankyou

Hurlstone Park Wanderers are a community club, that promotes playing football in an inclusive manner, with respect for opponents, officials, and for the love of the game.

On behalf of the committee I want to thank you for taking on these vital roles to assist children to enjoy their football.

You have given yourself and your time to mentor children (or in some cases adults), and in return the club has looked to increase its assistance to you in this area.

Our goal, is to obtain an entry level club accreditation with the FFA. One of the key performance achievement areas is Coach Development.

Providing your club coaches with the appropriate skills and knowledge through the provision of training courses for both football specific coaching and also broader player management.

HPW coaching

1. Every HPW player will be given the opportunity to learn to play football in a safe and friendly environment, so that he/she can be the best players they can be.
2. Every coach will be given the opportunity and encouraged to obtain a recognised accreditation with the FFA.
3. Coaches see success as all players growing in skill, having fun and returning the following year.

Development of Coaches

Coaches Behaviour

Encourage fair play

Respect opponents, spectators and officials

Thank the officials and opposition after the game – teach your players to do the same.

Uphold your club's code of conduct

Understand, uphold and support your club's code of conduct for coaches.

For coaches of junior sport, it's also important to help kids enjoy sport:

Emphasise trying hard and having fun, not only winning

Let Kids be Kids

Coaches Behaviour

Never ridicule or yell at a child for making a mistake.

Respect officials

Accept decisions by officials – they are only human and can make mistakes.
