

The Wanderer

June 2017

Presidents Message

Half-way through the season report card.

One minute you're at registration the next you're half way through the season. With that in mind I thought I'd give a report on how the club is fairing in 2017 against our strategy and our key messages. There have been some wonderful improvements in infrastructure in 2017, including the purchase of new mini-goals for all players up to 11. We do hope that all players are enjoying these new goals and that parents are grateful. I'm sure many will be pleased that the I-Goals have been retired.

Another improvement for 2017 has been the Newsletter, which for the first time in a long time, is being produced monthly. The newsletter should be keeping you informed on what's happening, profiling teams, requesting assistance, and notifying you of special events or local community services. This newsletter reaches over 2000 people and we are looking to expand it to assist the club in looking for sponsorship and with fund raising.

Our club-wide inaugural Charity Day, held last month, was a tremendous success and I want to make a special mention to the O35/3As who started this drive and have put boundless energy into lifting the profile of the club as a generous family orientated club. We have all contributed to lifting the funds raised for all these worthy causes. The first Rainbow Round was enjoyed by over 300 players who laced up to support players within the LGBTI community. As prejudice is still a problem in sport we did our bit to raise awareness and the Hurlo community fully supports this. In June and July Hurlstone Park Wanderers will be running two ½ days of inclusion for people with disabilities so that they too can enjoy the love of football. Not enough is done to support these people and as a club we will be looking to expand this further over the years to come.

Another great initiative is our cultural drive this year, 'Let Kids be Kids'. This is all around being positive on the sideline, leaving the coaching to the coaches, and making sure that all kids are having fun. We are doing what we can to make sure that young footballers are enjoying themselves and that their love of football isn't removed by adults. 'Shoosh For Kids' weekend was a success and the goal of the club is to have this informally each weekend where parents simply stand and applaud at all games. Imagine what an impact that would have on the kids. They could simply run around and play football without constant direction from a 'grown-up'.

Our second cultural drive is respect for officials. While we still look to improve the communication to players and supporters, I am pleased to note that the number of incidents is low. The culture of this club is to embrace and thank officials for the time they give up so players can play. Players who don't understand that need guidance from the players in the team who do. Don't let your mate be a prat!

Presidents Message ... continued

The next cultural drive is our 'ONE STRIP' policy. Our goal is to be able attract a significant club sponsor and to do this we need to offer them a single brand. With reach to 3000 plus people each weekend across the inner-west district we are hopeful we can find a suitable sponsor. The right sponsor will be given rights to place their name on the front of all club shirts. Such a deal would be significant to the point where we can reduce registration fees. So, if you're not playing in the 'ONE STRIP', then we ask that next year you hand in your OLD strip and get on board with the 'ONE CLUB ONE STRIP' policy.

We have been working very hard with council to correct the issues at Ewen Park and to plan for the 2018-2019 season. I'd like to see HPW grow to 1600 players and have the space and lighting to grow with it. We offer a wonderful community and we need to work together to ensure that it stays a community that is inclusive of all people in our area.

Charity Round Thank You

A very big Hurlo thank you to all that supported our 2017 Charity Round. From small things big things grow and we are pleased to announce that with your support we have raised \$20,530 for our charities. This is truly a tremendous effort, smashing our initial goals and every member of the club we should be very proud.

We will be making donations to our Charity Round charities: McGrath Foundation, John Moriarty Football, DT38 Foundation, Pararoos, Heartbeat of Football and Do it For Cancer.

We have collated photos over the next few pages of some of the 57 Hurlo teams that wore Charity Round jerseys and/or socks to help make the CDSFA a sea of pink over the last few weekends, and a few from our sold out Charity Trivia Night. Thank you to all that joined in and thank you also to those who donated money via our GoFundMe page, prizes for raffle and auction and those who gave their time to allow us the opportunity to give to those in need. Thank you also to our friends and participating teams from Leichhardt Saints and Marrickville Red Devils and the CDSFA for their support of our efforts.

Flashback to 2004

A flashback photo from Tim Cotsford, who together with Mark Halliday coached the first Hurlstone Park Wanderers AAW teams (at least the first ones in this century) back in 2003-6. From small beginnings we've grown with a really strong presence this today in All Age and 030 women's (Five grand finalists and 3 premiers in 2016 - looking to keep that record in 2017).
