

The Wanderer

August 2017

Presidents Message

I can't believe that the end of the season is already upon us. By the end of the month, the posts will come down, the shirts will be returned, the balls, bibs, cones packed away, and we will reflect on how the season flew by. Our newsletter is filled with teams who have had successful seasons. Some have finished at the top of their comp and I know there are many Hurlstone Park Wanderer teams who have had successful seasons despite not making the finals. After all, as a coach I am well aware that a successful season is one where all your players have a great time and all want to come back next year!! During August, Hurlstone Park Wanderer has been holding Finals and Grand Finals on behalf of the CDSFA. Ewen has held up remarkably well this year and even though the grass isn't green it's still grass and it's still there. This is the first time in my memory that this has happened. I encourage you to attend any of the finals games. Come along in your blue and white and cheer on your fellow Hurlo players.

During the off season, the committee will begin planning for the 2018 season, the financials, the volunteers, the equipment, the operations, the judicial process, complaint management process, and a number of others that all come up for review. We will be looking at several options to ease the pain points, and to ease the burden and share the load. On August 20th we will have our annual 'Volunteers Thank you Night'. All volunteers are welcomed to attend as some small thanks for their enormous efforts in making the 2017 season a success. Once again, we will be looking to increase the number of volunteers in 2018.

The club has grown and the number of people needed to run it grows each year. I'd love to have to invite 100 people to the volunteer's dinner in 2018, and not the less than 30 who are doing the bulk of the work at the moment. The final event of the year will be the family fun / presentation day on August 26th, 2017 at Ewen Park. Robin, Janice and other committee members are expanding on their impressive efforts from last year to include multiple inflated castles and dart boards. There will be music, trophies, presentations and awards, and we will call a wrap on 2017, so please come down and join in the fun.

Thank you all for being part of the Hurlo club in 2017.

Club Treasurer for 2018 - Position Vacant

The position of Club Treasurer for the 2018 season is vacant. As a member of the Club executive, this is a critical position for the Club. The role, requires a few hours per week, during the season, to bank monies from the weekend canteens, and to keep the books in order, for the monthly meetings.

If you have accountancy skills and believe that you can fulfil this role, then please send your details for review and discussion to: president@hurlstoneparkwanderers.com.au

If we cannot fill the role from within the club, then we will need to look at a professional body to supply someone for us, and this will cost the club money. all money comes from registrations so if we need to pay a bookkeeper then we will need to pass this onto registrations. If you'd love to help, and be a member of the executive of Hurlstone Park Wanderers, then we invite you to step forward.

Team in Profile - Under 11/1 Girls

The 2017 season has been one of our most rewarding and enjoyable yet! We graded our Division 1 team this year and we have found that this has given us an even playing field with other CDSFA clubs. The maturity and respect that these girls have for each other is truly rewarding for their coaches and the demonstration of enjoyment for playing football has been inspirational. We look forward to taking this team into the 12G competition in 2018.

Small Sided Football Saturday Morning Wrap

Ewen Park is a buzz of activity on Saturday mornings from April to August. Between 7.30 am and Midday we build and pack away 15 pitches for over 250 players in the U6, U7 U8 and U9 mixed small-sided football games.

As the curtain comes down on our 2017 season, I've asked three of our amazing house leaders - Brooke from U6, Terry from U7s and Antonia from U8 to reflect on the year they've had and what they are looking forward to in 2018 and beyond ("swarm" is a recurring theme!).

Under 6:

From a swarm of bees to little soccer stars in the making, the under 6's came a long way in just one season. Essential skills were quickly mastered - like running in the right direction and that an eagerly raised hand helped gain the coveted role of kicking the ball into play. As the season progressed friendships and skills grew - almost at the same rate that their teeth began falling out. Their dribbling and passing came on in leaps and bounds. They started to stop and control the ball, before looking up for their teammates and the goal. However, nothing was more accurate than their ability to locate the lolly bag at full time. Listen to the kids conversations and you'll quickly learn what their future plans are - just playing in a little comp called the World Cup. When you see some of them play, it's not too hard to imagine.

Under 7:

The mighty U7s of 2017 have had a great year of football. Blessed with favourable weather conditions, a newly laid pitch and fantastic looking new goals, 4 dedicated houses battled it out each Saturday morning. The Reds, Blues, Yellows and Maroons all played their games in great spirit and enthusiasm. All House Leaders will attest to their football development from the swarm-style of play seen often in previous years to increasingly consistent glimpses of passing and positional play. They have all responded excitedly to their introduction to the u8 format with bigger fields and different rules. All that remains is the beginning of season 2018. "Bring it on" we can hear them all say

Small Sided Football Saturday Morning Wrap

Under 8:

We were delayed in starting the 2017 season from the constant rain but when we got the chance to play the under 8 players stepped up. They started to understand the concept of game and the bigger field with huge goals. The goalie position became popular, the children realising and learning that it isn't an easy position to play.

The children became passionate about participating as a team, scoring goals, winning and most of all having fun. We saw a number of females move into the Sunday comp and we were left with 4 fearless females left in the mixed comp. It was good see them continue to play in the mixed comp and remain strong against their opposition. A number of houses really grew into their teams and consistently played with great skills. We welcomed new players to the comp with little or no experience which has been wonderful to see these players grow over the competition.

I think this is what makes Hurlstone Park Wanderers so special as all children get to participate at any skill level. We have enjoyed setting up the bigger fields with the help and support of the Hurlstone Park Wanderers team every Saturday. The under 8s also have had amazing passionate coaches/managers and parents that turned up each week to support and guide their teams. The world cup round robin last weekend was extremely exciting as we saw the players really quite competitive in a fast-paced environment.

Hurlstone Park Wanderers Football Club raises nearly \$4,300 to help beat cancer

On 29 July 2017, seven brave souls from the 'The Hurlers', a local football team from the Hurlstone Park Wanderers Club, shaved their hair off and raised nearly \$4,300 to help beat cancer.

Team captain, Rob Morrison, said that the team signed up for Cancer Council NSW's *Do It For Cancer* program because they wanted to fundraise in a way where the team could visibly show their support. "Quite a few team members and their families have had loved ones affected by cancer so we wanted to help out where we could.

"Earlier in the year we held a successful Charity Round where we raised more than \$20,000 for a number of charities, including Cancer Council NSW, however we wanted to finish off the season with one more charity push. Hence the 'BIG shave' idea was born. Initially we were hoping to raise \$2000, but we ended up more than doubling this amount. We planned the 'BIG shave' to coincide with our last game of the season, and set up a pseudo outdoor barber shop on the side of the field. Unfortunately we didn't manage to win the game, but we did leave the field feeling like winners, knowing that we'd done our bit to beat cancer," said Mr Robinson.

The money raised by The Hurlers' efforts will be donated to Cancer Council NSW's world-class research, cancer prevention and advocacy programs, and support services to help those affected by cancer at every part of their cancer journey.

"Cancer Council NSW's *Do It For Cancer* program supports individuals and groups to fundraise in any way they like. We love seeing locals like the Hurlstone Park Football Club who are so committed to their fundraising and willing to do anything they can to help beat cancer sign up for the program," said Costeen Sekhas, Community Engagement Manager at Cancer Council NSW Metro Sydney.

Junior Everyone Can Play Gala Day Recap

What a great day we had on Saturday 5 August for our second Everyone Can Play Gala Day for the year. A very Hurlo thank you to our visitors from Marrickville FC and Aspect Southeast Sydney School, as well as our wonderful Hurlo teenagers and Mini-refs who volunteered to make the games a success. A very special thank you our organiser Robin Canterbury & District Soccer Football Association for the participation medallions - the kids loved receiving them!

A fantastic Everyone Can Play day was had by all.
