REQUEST FOR PAYMENT OF FAMILY DISCOUNT

Please note:

1. The "Family Discount" only applies to Junior player registration fees.

2. The rebate of \$25 per registration applies to a family with three or more registrations within the same family. The rebate is paid for the third and any subsequent registrations, provided that the subsequent registrations are for children.

For example:

- For an HPWSFC playing parent who is also registering two children (a total of 3 registrations in the same family), the rebate applies to the third child and any other additional children that might be registered from the same family;
- If there are two HPWSFC playing parents in the same family, the rebate will apply to any children that are subsequently registered.

3. Family Discount payments will only be processed once this form is completed and emailed to the HPWSFC treasurer at treasurer@hurlstoneparkwanderers.com.au. A photo of the completed form is also acceptable.

4. HPWSFC processes all Family Discount payments in April 2020. Therefore, do not expect to receive your payment until after 15th April 2020.

5. A Family Discount request CANNOT be processed unless BOTH a mobile phone number AND an email address are provided.
