## THE 2023 BUMPER END OF YEAR ISSUE

### PRESIDENT'S MESSAGE

Dear Hurlo Community,

And no sooner have we kicked off the season, than we were at the end of it, and what a season it has been, both for the club and for Football in Australia. For a whole range of reasons the Committee have had limited capacity to put together a newsletter during the season, so we decided that we would have a bumper edition at the end of the season to catch up on all of the achievements of this season.

### IN THIS ISSUE:

- [President's Message](#)
- [Registration](#)
- [Spotlight on our ParaMatilda Champion Tamsin Colley](#)
- [Terry Wong 2023 Cec Barlow award recipient](#)
- [Hurlo U15 Girls represent](#)
- [BBC team wins the Cottam Cup](#)
- [Introducing the Centenary Committee Chairperson](#)
- [New clubhouse at Ewen Park](#)
- [Celebration of our teams' success in Football Canterbury competitions](#)
- [Our Committee & Age Coordinators](#)
- [Thank you!](#)
- [Farewell and thank you to Alanna Stevens](#)
- [Hurlo at the FIFA Women's World Cup 2023](#)
- [Travelling Hurlos](#)
- [Coach's Corner](#)
- [Our Sponsors](#)

In this newsletter, we celebrate about the fantastic achievements of all of our teams who made finals, and those who had a great season regardless, the experience of our mighty Juniors from u8s to u12s, our Little Lions and our MiniCubs and all of those who support them.

There are so many people to thank for making our club and our season tick along – our coaches and managers, our parents and other volunteers, our Committee and our ground and canteen managers. One particular club member deserves special mention – our Admin Officer Caroline Aow, who this year has taken on an expanded role which has been essential to the

running of a large volunteer club like ours. Caroline added this to her already full football dance card as a football parent, a manager, an age coordinator and this year she also provided essential support for the vacant role of Competition Secretary. And she has been the driving force of Summer Football for our club, where we have had a huge surge of interest in the Football Canterbury Summer Sixes competition. She really kept things going through a pretty challenging year, so huge thanks to her for this support. Thank you also to all of our other Committee members – Gerry as Vice President, and Disciplinary

Committee Chair, and also chief liaison with Council in relation to the new facilities – he has met regularly, measured up, kept the project going and represented the club's commitment to it; Robin as Secretary, Volunteer Coordinator and for her amazing leadership of our All Abilities Program; Ramon who has kept our finances

going; Billy who has continued to keep our canteens operating effectively; Dave who has continued to keep our teams fitted out and managed endless requests, an Steve who is not only our registrar but the Little Lions coordinator and the chief operating officer of Saturday mornings at Ewen. Also thanks to our general committee members Holly, Edel and Alanna who

regularly put their hand up for activities.

I want to make special mention of Terry Wong, who is our Coaching Coordinator and has this year and every year shown amazing leadership within football in the district. He has spearheaded fantastic coaching initiatives for the club, as well as creating the opportunity for our highly successful minicubs program which has not only introduced new young players and their families to our club, but has provided a great way for our keen teenage members to become coaches. But also this year Terry was the driving

## President's message - continued

force behind the Respect for Referees round that was held right across the Association, following the horrific assault on a referee in a different association. Terry was our recipient this year of the Cec Barlow award, which recognises service to local football. You can read our nomination statement in this newsletter.

A big shout out to the club members who put up their hands this year to become Club Referees – this was a new initiative to deal with challenges with referee appointments, and we had several adult players who signed up, and made themselves available for games during the season. We hope to see more of this, because referee numbers continue to be in crisis.

I'd also like to thank Gene who designed our fantastic end of season t-shirts and Jon from 24 Hour Printing who turned around our order in record time. While every season's shirt is a winner, these are glorious in their colour and their celebration of the Women's World Cup, with a very Hurlo touch. It is great to see these out and about and I am looking forward to seeing photos of Hurlo players out and about in our regular Travelling Hurlo and Hurlo at Home Summer series. Show us how far you take your Hurlo

love, or how creative you can be in capturing Hurlo at Leisure.

A very big congratulations to all our teams throughout the season, but special mention needs to go to the u21s, where we took out the championship in all three divisions (U21/1A, U21/2C and U21/3B, to our MIL1 team who were both minor premiers and premiers, to our BBC team who were minor premiers for the second season in a row, and then pushed through the disappointment of losing the grand final to go on to take out the Cottam Cup – the first time we have ever won this historic knockout competition, and to our u14/1s who went deep into the State Cup and also did really well in their Champions of Champions efforts. Our Grace Martin Trophy team also had a great season, qualifying for the grand final, with Stephanie Kontakis taking out the Golden Boot award. Also to our MIL1 and BBC teams for great performances in Champion of Champions – both teams were unlucky to come up against high ranking teams in early rounds, but put in stirring efforts on the field. We also congratulate all our other teams who reached semi finals, finals and grand finals and especially those who were division champions – you can read about each team [here](#).

2024 will be a huge year for our club. On an unassuming plinth in Crinan Street there is a plaque that celebrates the establishment of our club in 1924, under the leadership of local football icon Bill Brackenbury. We are one of the oldest clubs in Australia, and our century of grassroots football has been part of enormous change in our game, at which Hurlstone Park Wanderers has often been at the forefront – for example in our emphasis on growth and participation for girls and women of all ages, in our championing of the move to small sided games for the youngest players and in our development of the miniref program

that was the forerunner to game leaders. We have also had a proud history of achievement in the club, with teams participating in external competitions such as Kanga Cup and Cottam Cup, with outstanding legends of the game who have been part of our club, such as Jim Fraser, Socceroos goalkeeper and still an amazing leader in the game. We are looking forward to celebrating this history throughout 2024, with an exciting program of events. We bring you a taste of what is to come in this newsletter.

The second reason that 2024 will be a huge year for us is obvious to anyone walking past Ewen Park over the past year. Through huge effort from club

members, dating back to fund-raising raffles when my children first joined the club more than 20 years ago, through countless meetings with Council, consultation with key stakeholders, development of designs and through grant applications (culminating in a Greater Cities Sports Grant of \$1 million in 2020) we are finally looking forward to our amazing new state of the art amenities building. It will be so exciting to be able to watch games at Ewen from the vantage point of the stepped seating or from the covered

breezeway, and even more exciting to have decent storage, up to date change rooms and a club room for our activities.

We hope you enjoy reading this newsletter that celebrates the 2023 season and looks forward to next year, and very much hope to have all our players and their families and supporters join us in 2024.

Yours in football,  
Rosalie

# Registration opens in early January 2024

# SPOTLIGHT ON OUR PARAMATILDA CHAMPION TAMSIN COLLEY

This year we were absolutely delighted to welcome Paralympian Tamsin Colley to the ranks of our All Age Women's players. Tamsin is a superb athlete, who in 2016 was the youngest athlete to ever represent Australia in track and field at the Paralympics – Tamsin competed in the Athletics events.

Tamsin has developed a passion for football and her dream at the beginning of 2024 was to become a ParaMatilda – and while her athleticism and determination were going to get her there, what she also needed was football game experience. When she approached HPW expressing the interest to train with our women's teams it was a logical step for her to join a team – and so within a week she had signed up and was on the field playing for our AAW6B team who welcomed her as a fantastic addition.

Our team had a great season, with Tamsin being a rock of defence, and they qualified for the semi-finals. But what was even more exciting was that Tamsin was selected for a ParaMatildas training camp during the year, then for a Football NSW mixed team in the national championships. This was well on the way to the dream, so we were absolutely thrilled when Tamsin was named in the national squad for the 2023 IFCPF Asia-Oceania Championships in November. What an achievement.

Even more exciting, Tamsin made her debut as a ParaMatilda, featuring in the game against Nepal, and scoring a hattrick. This was a wonderful competition for the ParaMatildas who finished as the Champions of the competition. We couldn't be prouder of her achievements, but also thrilled that Tamsin has continued loving playing football with HPW in the Football Canterbury competition – rounding out the year in the FC Summer Sixes competition. Check out our social media for stories about Tamsin's great debut season in competitive football.

# TERRY WONG

## 2023 CEC BARLOW AWARD

### RECIPIENT

Congratulations to our Coaching Coordinator Terry Wong on his Cec Barlow Award, presented at the Football Canterbury Volunteer Recognition dinner in September. Terry is well known to

everyone in our club for his commitment to the club and his supportive and intelligent approach to developing coaches and teams. He was a fitting recipient of this award.

# HURLO U15 GIRLS REPRESENT AT THE BEYOND GREATNESS COMMUNITY FOOTBALL TOURNAMENT AS PART OF THE WOMEN'S WORLD CUP AND HOSTING OF VISITING USA JUNIOR TEAM

The FIFA Women's World Cup brought a focus on female participation in football throughout 2023, and brought football fans from all over the world to Australia.

One of the special highlights of this festival of football is the Beyond Greatness Community Football Tournament, that was hosted by FIFA on the forecourt of the Sydney Opera House on the Saturday before the Women's World Cup Final. We were especially honoured the HPW was invited to enter a team for this amazing tournament that featured FIFA Women's

World Cup legends including Fara Williams. Our team was one of just two grassroots teams competing, alongside (check who). Our u15/2 girls were thrilled to represent Hurlo, along with their coaches AAW6 players Gemma Viney and Isra Parr Plain. Over the day the girls played several games, with guest players from the FIFA legends. They had a ball, and were excited to be part of this amazing celebration of community football – they had their photos with Tim Cahill, they were presented with trophies and prizes and souvenirs. On the FIFA bus on the way back to Ewen Park the girls were buzzing with the thrill of the day.

# HURLO U15 GIRLS REPRESENT

We acknowledge the traditional custodians of the lands on which we meet, train and play

# HURLO U15 GIRLS REPRESENT

Another highlight of the community aspect of the FIFA Women's World Cup was hosting two teams from the USA community club North West Pacific, who were touring Australia and attending World Cup games, including the grand final. On the Sunday of the WWC grand final, we hosted two teams as well as Marrickville FC playing friendlies at Beaman. These teams were amazingly strong so it was a fantastic experience for our 14/1 girls to see the quality of club football in the USA, but also to enjoy

exchange of gifts and to be part of a great Aussie welcome, with all the players enjoying a bbq after the game, along with some fantastic chants (U...S...A....U.....S....A and Aussie Aussie Aussie Oi Oi Oi, led by our very own cheerleader extraordinaire, club secretary and stalwart Robin Hawkes). Huge thanks to Alanna Stevenson who coordinated the day with the guests, and to the Marrickville u16 girls and Georgie from Marrickville and Fiona from Football Canterbury who helped to make it a great occasion for all the players and guests.

# BBC team wins the Cottam Cup

The Cottam Cup is a NSW Football institution. Run by Granville and Districts Soccer Football Association, it is the oldest continuously running knockout competition in Australia. It was originally established in 1907 as the Rawson Cup, but in 1917 it was re-named the Cottam Cup in honour of Private John Cottam, who was a renowned and talented player in the Granville Magpies team that had won the Cup three times, but was killed in action in World War 1. It has an amazing history, watch it [here](#).

Granville opened the competition up to other districts, and it has been running as a fantastic inter-district competition for many years. But teams from the Granville competition have dominated.

Until this year, when our Bill Brackenbury Cup team mounted an exciting campaign that went right through the season, culminating in a hard fought final against an exciting and talented Brighton Heat team, full of players with Brazilian (read that as football genes and living and breathing football) who were already the Granville champions.

The road to the final was full of some fantastic games, that had to be wedged between the Football Canterbury competition, already a very packed schedule. Round 1 was early in the season – a trek for the team, out to Schofields Park to take on Riverstone Schofields FC, achieving a convincing win. Next up were three games providing a great spectacle for the Hurlo crowd, with night

# BBC team wins the Cottam Cup

games at Ewen against Oran Park Rovers and then Kellyville Kolts (a tight game, ending 3-2 our way), and then Norwest Football Club, putting us in the semi-finals. The semi-final was a local affair, with Football Canterbury rivals Enfield being the other non-Granville semi-finalist, and made more exciting because it was one of a series of three consecutive games vs Enfield leading into the end of the Football Canterbury season. A good win set us up for the final, but setting the date was a challenge, with the Women's World Cup and the Football Canterbury finals. In the end it was scheduled for after the end of our season - and so the boys trained on and played on.

And so on a chilly September Saturday night, the Hurlo loyal supporters made their way to Melita Stadium for this exciting final. To provide context, this was only the second time that a club from outside Granville had made

the final. The boys were determined to "bring Johnny home" and the locals were equally determined that they would not.

It was a great game, and our boys looked dominant with two goals and only 10 minutes to go before Brighton took one back. Even so, it looked like we had it in the bag until the last minute of stoppage time when somehow, out of nowhere Brighton scored an equaliser. Agonising after the grand final loss against Enfield still in the memory.

But the boys dug deep and went into the extra time with determination, and sure enough they scored a beautiful goal. Celebrations all around (it perhaps should not be mentioned that the club President was leading these celebrations in the grandstand, having mis-read the rules as golden goal extra time!). So we were up, but holding on was still a challenge against an increasingly desperate and determined Brighton Heat. Full credit to the boys and the coaches, that they played their game and kept their cool to hold out for a magnificent win. It was a fitting end

# BBC team wins the Cottam Cup

to the Hurlo season to bring home some treasured new silverware, along with prize money and free entry to the competition in 2024.

Every player received an exact replica of John William Cottam's 1915 medal for winning the State Premiership with the Granville Magpies, the last football medal he received before

enlisting for WW1. The player of the match, our very own Brian McCarthy received a replica of the 1914 medallion, the first that John Cottam had received. And on behalf of the club, the BBC coaches Mark and Gus Brown attended the Granville District annual dinner and were presented with a replica of the Cottam Cup. We look forward to housing it in the new club room.

# Introducing the Centenary Committee Chairperson

Did you know 2024 marks 100 years since HPW first registered a team? Until earlier this year I didn't either!

Hello to the HPW family, my name is Louise Roberts and I'm the chairperson of the Club's Centenary Committee. I've been around HPW since 2005 when my children registered to play. I can't recall whose idea it was to play football as neither my husband nor I come from sporting families. But here I am in 2023 having seen my daughter play her 18th season with only a break for her HSC.

After 18 years of watching from the sidelines and with the year off from paid work, I wanted to help out the dedicated band of volunteers that keep the Club running - and indeed thriving. As a proud Hurlo resident since 1994 and a history nerd, working on the Centenary seemed a perfect fit.

Apart from holding a number of events to celebrate the Club's Centenary, we aim to capture and document the Club's history. The new clubhouse will have room for us to display some items, both physical and digital. Keep an eye out for details on how to submit items but in the meanwhile, go through your cupboards and drawers and dust off any items of interest.

# Roll on Season 2024 – looking forward to the opening of our new amenities building

So we started season 2023 with a building site behind barricades with exciting pictures of our future, a few portaloos and a truck! These are the challenges of getting a fantastic new amenity building. Eventually we got portable bathrooms installed but they also proved a challenge, with regular call outs to the council emergency line for plumbing. Our ground managers came to know and love (not) the challenging bolts and locks on the storage container, and the fun of the tetris style packing of the benches, goals, nets, cones and other equipment each weekend.

But, by the end of 2023 the future is clear – finally the barricades came down and we have had the opportunity to imagine our future, with a state of the art canteen, new changerooms, accessibility for all and a fantastic club room, not to mention the best seats in the house for watching weekend football from the Hurlo bleachers, and the

genuine opportunity to escape from the rain. We don't quite have the keys to the kingdom yet, but by the beginning of season 2024 we will be looking forward to the best facilities in the district. Huge thanks to everyone who worked hard for this facility – brought to us by raffle tickets over many years from our members (that allowed the essential co-contribution from the club), the huge efforts of everyone who worked on our successful Greater Cities Sports grant (\$1 million), the financial and project management support of Canterbury Bankstown Council and the financial and other support of Football Canterbury. We also thank other clubs in Football Canterbury and many sporting organisations and the Hurlstone Park Association who supported our grant, as well as special thanks to the Facilities Committee members who have driven this project (Gerry Choate, Philip Martin, Janice Leahy and Rosalie Viney).

# Celebration of our teams' success in Football Canterbury competitions

In 2023 we had 59 teams competing in the U13 to O50 age groups in the Football Canterbury competitions. These are the age groups in which there are tables and finals. We are very proud of the fact that we have teams participating in every age group (see table).

Of our teams, 30 finished in the top 4 in their division, qualifying for semi-finals. Special congratulations to our BBC and MILI who were minor premiers in their divisions.

## Celebration of our teams' success in Football Canterbury competitions

Congratulations to the U13/2, U13/1, U15G/1, MIL1, O50/2A and BBC teams who won their major semi-finals to qualify straight through to the grand final, and to the U13G/1, U16/2, U16/4, WIL3B, U21/1A, U21/2B, U21/2C, U21/3B, GMT, AA4A, O35/7B, O35W/1B and O45/5B who went the harder route but still made it through to the grand final.

Also to all our other teams celebrated here who competed in semi-finals and major finals. And finally big congratulations to the following teams who brought home the silverware in their competitions - we are looking forward to displaying these plaques in the new clubhouse!

A highlight of the finals season is the support from the sidelines from Hurlo families and friends - as committee members we try to get to as many finals as we can, as it is always exciting to see the passion and effort that our teams put in on these big occasions. A highlight this year was the success of our U21/1A, U21/2C and U21/3B men's teams, who really rose to the challenge and took out the championship in each division. On the last Sunday of the season at Strathfield these lad and the MIL1 team brought home three trophies - a stellar achievement.

# HURLO COMMITTEE & AGE COORDINATORS

At the AGM on 11 December, we thanked outgoing committee member Alanna Stevens (who has also been Age Coordinator for 8-13 girls over several years). We welcomed two new Committee members, both of whom are already well established hard working Hurlo members. Sinead Shiels is our Competition Secretary for 2024 and Laura Toose is a new general committee member. Sinead and Laura are both experienced age coordinators, and Laura is expanding her flock of age groups to not only include the u10 mixed, but also the U8-U14 girls and the All Age Women.

A full list of Committee members and age coordinators is available on our [website](#). Special thanks to the Age Coordinators who are standing down this year – you have done a great job. These are Katrina Thornley, Helen De Wolfe, Mark Healey, Richard Corey and John Chudleigh in addition to Alanna. And welcome to our new Age Coordinators Dave Tartak (taking on the O35-O50 men), Nick Abraham (taking on U13s) and Kerri Cahalane (taking on U15s).

# Thank you!

Thanks to our amazing Age Coordinators and Committee Members without whom the club simply would not function, for another amazing season. The Committee members all take on extra roles and quietly get on with the jobs that need doing. Gerry, who is a rock of a Vice President – an amazing support and has the most can do attitude ever. He has also been a steady hand on our disciplinary committee and nurtured our relationships with other clubs, which has been so important this year. Steve, who looks after our Little Lions as well as being our Registrar (and continuing to provide excellent support for member protection matters), Edel, who is our MPIO and has also been gathering our history, Ramon who as treasurer and has done a wonderful job keeping things going, Billy who is our canteen manager, Terry as our amazing Coaching Coordinator, Robin, who is Secretary, volunteer coordinator and all abilities program manager (not to mention

Club Stalwart – now an official title!!!), Dave who is our ever patient and very organised gear manager, Holly who has provided fantastic support on website and other activities, Rosalie and Caroline who stepped up as co-Competition Secretary and did an amazing job, Alanna, who managed the ever challenging end of season awards and long service awards and many other activities, and of course Caroline who has been an amazing administrator and BBQ co-ordinator. And our Age Coordinators are the ever important part of our structure and show such good grace, willingness and enthusiasm: John Chudleigh, Richard Corey, Mark Healey, Sinead Shiels, Tara Brett, Robin Hawkes, Rob Randall, George Papathanasiou, Kathy Revellos, Nelson Araya, Peter Stein, Nick Abraham, Helen De Wolfe, Alison Svoronos, Katrina Thornley, Sonya Sinclair, Caroline Aow and Steve Cumming.

# Farewell and Thank You to Alanna Stevens

Alanna became involved with the club as a volunteer when her child began playing soccer. By 2018, she took on the responsibility of managing her daughter's enthusiastic girls' team. In addition to overseeing the team, Alanna efficiently organised a group of parents, ensuring their support for various tasks such as setting up home and away fields, managing BBQs, and fulfilling other club duties.

In 2021, Alanna deepened her commitment to the club by assuming the role of age coordinator and joining the committee. As the age coordinator, she successfully supported and encouraged both existing and new managers, contributing to the growth of our parent volunteer group. Alanna also played a pivotal role in various committee activities, including but not limited to managing BBQ rosters, coordinating engaging activities for

our Hurlo underage players during premier and Matilda matches, and overseeing the Hurlo recognition program, especially the coaches and club loyalty awards.

We extend our sincere thanks to Alanna for the countless hours she dedicated to the club, promoting the Football Canterbury league and nurturing the potential Matildas of the future.

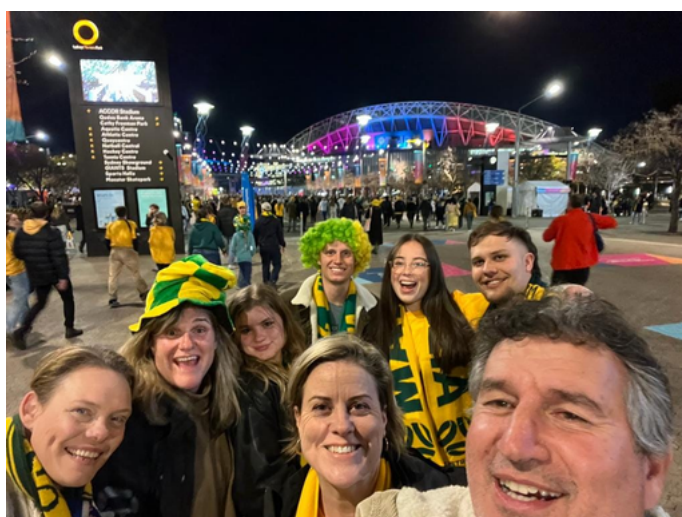

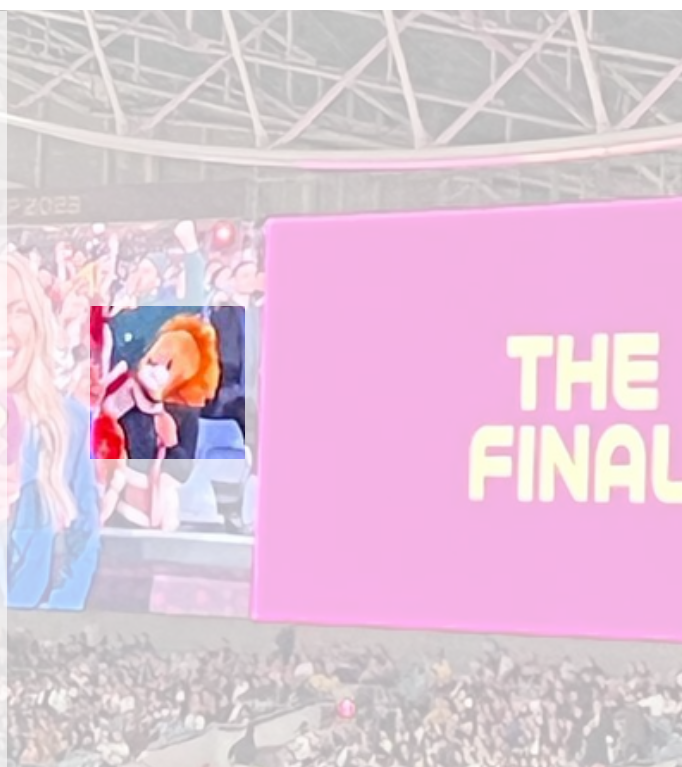

# HURLO AT THE FIFA WOMEN'S WORLD CUP 2023

It seems like a while ago now, especially since the Matildas are now aiming for qualifying for the Olympics, but there is still that warm glow of hosting the biggest football event in the Southern hemisphere back in July and August. There was so much excitement across the venues, and at every single game in Sydney and many in other venues, HPW players and community were in the best seats in the house – from the opening Australian game in Sydney, to cameos at games in NZ (we have some keen NZ and Japan fans among our members), to being part of the crowd at the never to be forgotten audacious win over Canada in Melbourne, through the breathtaking round of 16 game in Sydney, and then the heartstopping quarter final penalties win over France – so many of our members glued to the spot on trains, outside watching the big screens or desperately watching on their phones inside Stadium Australia until that glorious final kick from Sydney FC star Courtnee Vine – Hurlo was there throughout. Here we share some of those highlights from our social media.

# Travelling Hurlos

It is holiday season, and even Summer Football is having a pause. So how do we keep you thinking about football? It is definitely time to bring back the Travelling Hurlo competition. Over the last couple of seasons we have not wanted to make a big thing of travel, and we even tried the (not) Travelling HurloAtHome version. But now, the passports are dusted off, the suitcases are packed and the Hurlo community is ready for holiday season.

So....we bring you Travelling Hurlos 2023/2024. Send us your best Travelling Hurlo photo to [admin@hurlstoneparkwanderers.com.au](mailto:admin@hurlstoneparkwanderers.com.au). Tell us where you are. Make sure you have your Hurlo gear. Remember we give you an end of season t-shirt and nothing says Hurlo like seeing those t-shirts in the wild on holidays.

## Plans for 2024

With the opening of our new facilities at HPW Headquarters Ewen Park, we will have access to a Club Room that will enable us to provide much more support to our coaches and players. Here is a snapshot of some of the things in the pipeline:

- Coach Accreditation Courses - Grassroots (U6-8), Skills Training (U9-12), Game Training (U13+)
- Regular Coach Education opportunities and meetings
- Coach mentoring
- Monday Skills Sessions
- Goalkeeper Training

## Interested in coaching in Season 2024?

If you are interested in coaching in 2024, please complete the following EOI. Each season, we have a number of teams that are looking for engaging and passionate coaches.

[HPW Coach Register EOI](#)

**COACH HUB**

This is a private group for HPW Coaches.

Information, resources and discussions will be hosted here to continue to improve the standard

and support of coaching within our Club. Contact Terry to sign up. [coaching@hurlstoneparkwanderers.com.au](mailto:coaching@hurlstoneparkwanderers.com.au).

# Thank you to our 2023 sponsors

# R&W

## Hurlstone Park

9558 0322 | [hurlstone-park.randw.com.au/](http://hurlstone-park.randw.com.au/)

Thank you to Richardson & Wrench Marrickville/Hurlstone Park as a Platinum Sponsor for the 2023 Season.

For more than 50 years, R&W have been delivering outstanding service for their clients in Residential Sales and Property Management across Marrickville, Hurlstone Park, Dulwich Hill, Tempe, Petersham, Canterbury, Lewisham and Earlwood. There's a good chance many of our members have come across the Dendrinos and their team over the years.

They have generously contributed to our "Opportunity to Play" Program, providing much needed funds to enable those who are not in the financial position to play. As you can appreciate, taking part in sport has not only physical but social and mental benefits. We greatly appreciate what this support provides our community.

Be sure to keep an eye out for the R&W team and say hi.

We acknowledge the traditional custodians of the lands on which we meet, train and play

# Thank you to our 2023 sponsors

Thank you to Henson Park Hotel as a Platinum Sponsor for the 2023 Season.

The Henson hosted our Volunteer Thank You night, as well as being great supporters of the Women's World Cup, where they showed EVERY game live at the Enmore Hotel Events, Salisbury Hotel and The Henson.

Make sure you visit The Henson for a family friendly drink and meal.

## **HENSON PARK HOTEL**
